

[PC Land](#) is a local computer repair and retail store that has served the New River Valley and Roanoke Valley since 1993.

We are currently looking for candidates for technician positions at our Blacksburg location.

- Responsibilities include diagnostics, repair, and building of computer systems, including desktops, laptops, and servers
- Both full-time and part-time positions available
- All starting and ending dates flexible
- Opportunities available for both during the academic semester and during the summer

Three tiers of positions are currently offered:

1. Unpaid internship - for candidates with zero prior experience (we will teach you everything from scratch)
2. Paid internship - for candidates with some prior experience, interest, or knowledge
3. Technician - for candidates with substantial hobby or professional experience

If interested, please send over a resume and the answers to as many of the following questions as possible (given current information) to careers@pclandonline.com :

- Are you interested in a summer position, a semester-time position, or both?
- About how many hours per week do you think you will be able to put into this opportunity?
- During which days of the week are you available?
- During what times of the day are you available?
